Nurturing inclusive learning communities

Nurturing inclusive learning communities

**Ethos College** provides long term full time education places for Key Stage 4 pupils (ages 14 to 16) with wide ranging Social, Emotional Mental Health (SEMH) needs. Additional 1:1 teaching is also available for a small number of pupils across Key Stages 1 to 4 who are referred with medical needs or for those whose needs are more complex.

Our mission at Ethos College is to create a secure and stimulating learning environment in which all students are valued and respected, their learning is promoted and their strengths are nurtured. Our focus is to prepare young people for transition to post-16 education, employment or training.

Nurturing inclusive learning communities

**Reach Academy** is a well-established school for children in Key Stage 3 (ages 11 to 14) with Social, Emotional Mental Health (SEMH) needs. Some have been permanently excluded from Kirklees secondary schools. A high proportion of children make a successful return to their local or another mainstream school following their time at Reach Academy, while some progress to special school provision in order that their long term needs can be met.

We are committed to improving the life chances of pupils by removing barriers to engagement and achievement. Our aim is to create a secure and inspiring environment where every child is empowered to take ownership of their learning and their futures.

Nurturing inclusive learning communities

**Engage Academy** is a school for primary aged children in EYFS 2 and Key Stages 1 and 2 (ages 4-11) who are at risk of permanent exclusion and / or are permanently excluded from a mainstream school. A high percentage of our children have Social, Emotional Mental Health (SEMH) needs along with undiagnosed complex needs. All pupils are assessed whilst with us and the majority receive an Educational Health and Care Plan (EHCP) prior to going to their next school ensuring their needs are met in the future.

We offer a nurturing, safe, inclusive and friendly environment where the building of trusting relationships is paramount. We have a broad, creative curriculum that enables all pupils, regardless of need, to achieve their potential and thrive in their new schools.

Nurturing inclusive learning communities

**Evolve Academy** is a KS2 and KS3 school that supports students with wide-ranging Social, Emotional and Mental Health (SEMH) needs. We currently have two school bases: one in Wakefield and the other in Castleford. Some of our students have been permanently excluded from Wakefield primary or secondary schools. We also work in partnership with Wakefield mainstream schools to offer a 12-week placement for students who may require short-term step-out provision before returning to their mainstream school.

Our aim is to provide a supportive and nurturing environment that will enthuse and engage students in education. We strive to ensure that our students have clear pathways to their next educational setting, supporting schools to ensure that their varying long-term needs can be effectively met, whether this is in a mainstream or more specialised school environment. Our long-term aim is for students to be empowered to develop into responsible citizens beyond their school years.

**Outreach** Teaching and support staff within Ethos Academy Trust provide Outreach Services in Kirklees, supporting and working in partnership with mainstream primary and secondary schools. Our team members also work effectively with wider partners, including health & social care, to ensure early identification and ongoing assessment and timely support for children and young people with wide-ranging social, emotional and mental health needs. Experienced teachers offer advice to schools through our Outreach Advice portal and through Single Point Referral.

The Outreach Team also provides transition support through experienced Inclusion Workers for children who have been permanently excluded from school and children with Education, Health and Care Plans who require a bespoke transition into a new setting. The support for our children, young people and families is part of Ethos Academy Trust's continuum of SEMH provision.

I started working for Ethos College around eight years ago, as a grade 7 Inclusion Worker. It was an immensely enjoyable and rewarding position. I loved the fact that I could support the social and emotional development of young people and have the ability to make a huge impact on their lives. I was inspired by our talented team and decided to combine my passion for science and education to train to become a qualified teacher. Ethos College supported me all the way and when a position became available, I applied and was so proud to take up the post of science teacher. Since then I have not looked back!! I am now working in a leadership position, helping to develop our offer to young people educated around the local authority. Working at Ethos College and being a part of the transformation of the lives of our young people is an absolute privilege.

**EMMA GANNON, TEACHER**

I was inspired to pursue a career with children who have SEMH needs through my experience of teaching music as an unqualified Teacher. I joined the Trust eleven years ago as an Inclusion Worker and was subsequently promoted to Senior Inclusion Worker, before being supported to secure a teaching qualification and, most recently, training to become a SENDCo. I am currently the Deputy SENDCo for Reach Academy. The Trust and management team within Reach Academy not only supported my ambition to become a fully qualified Teacher, they continue to offer opportunities for my ongoing personal and professional development.

**SARAH SIMMONDS, DEPUTY SENDCO - REACH ACADEMY**

During my 6 years of employment within Ethos Academy Trust, I have been supported to access a number of professional development opportunities. I gained my PGCE over a 2-year period and, after securing a teaching role two years ago, I am now a middle leader within Ethos College and currently undertaking the NPQSL, in order to further enhance my leadership skills, understanding and practice

The Trust is committed to providing relevant and meaningful professional development opportunities to support the career progression of the staff team. I have always felt highly valued and supported by the Trust in everything that I do. It is an absolute privilege to work for a Trust that is so invested in supporting its staff to be the best that they can be and help to transform the lives of so many young people.

**JACK GHEE, TEACHER - ETHOS COLLEGE**
