

# **ETHOS ACADEMY TRUST SCHEME OF DELEGATION**

**2023/24**

## **1. Introduction**

- 1.1 Ethos Academy Trust's Board of Trustees is accountable in law for all major decisions about the Trust and its constituent academies. However, this does not mean that the Board is required to carry out all the Trust's governance functions and many can and should be delegated, including to the CEO, the Board's Committees, and, where agreed by Trustees, to Academy Performance Review Committees. Any decision to delegate a function is made by the full Board of Trustees and is recorded. Without such delegation, an individual or Committee has no power to act.
- 1.2 This Scheme of Delegation is the key document defining the lines of responsibility and accountability in the Trust. It is intended to ensure that Members, Trustees, Board Committees, Academy Performance Review Committees (as agreed by Trustees), the Chief Executive Officer (and Trust Central Team) and academy Executive Heads / Head Teachers / Heads of School are all clear about their roles and responsibilities. This overarching Scheme of Delegation for all decision making in the Trust should not be confused with the written scheme of delegation of financial powers referred to in the Academy Trust Handbook.
- 1.3 This Scheme of Delegation incorporates the Trust's Financial Scheme of Delegation. It is intended to capture the strategic (and key operational) delegated responsibilities of Members, Trustees, Executive leadership, Executive Heads, Head Teachers, Heads of School and Academy Performance Review Committees.
- 1.4 The Board of Trustees will, on an annual basis, review and determine which level of delegation applies to each academy within the Trust. However, the Trustees may, at any time, instruct a change to the level of delegation as they feel appropriate.
- 1.5 Whilst the Trustees delegate down some functions, accountability cannot be delegated and therefore there must be appropriate reporting to the Trustees from the committees and the CEO and wider Executive Team.

## **2. Format, Structure and Clarity**

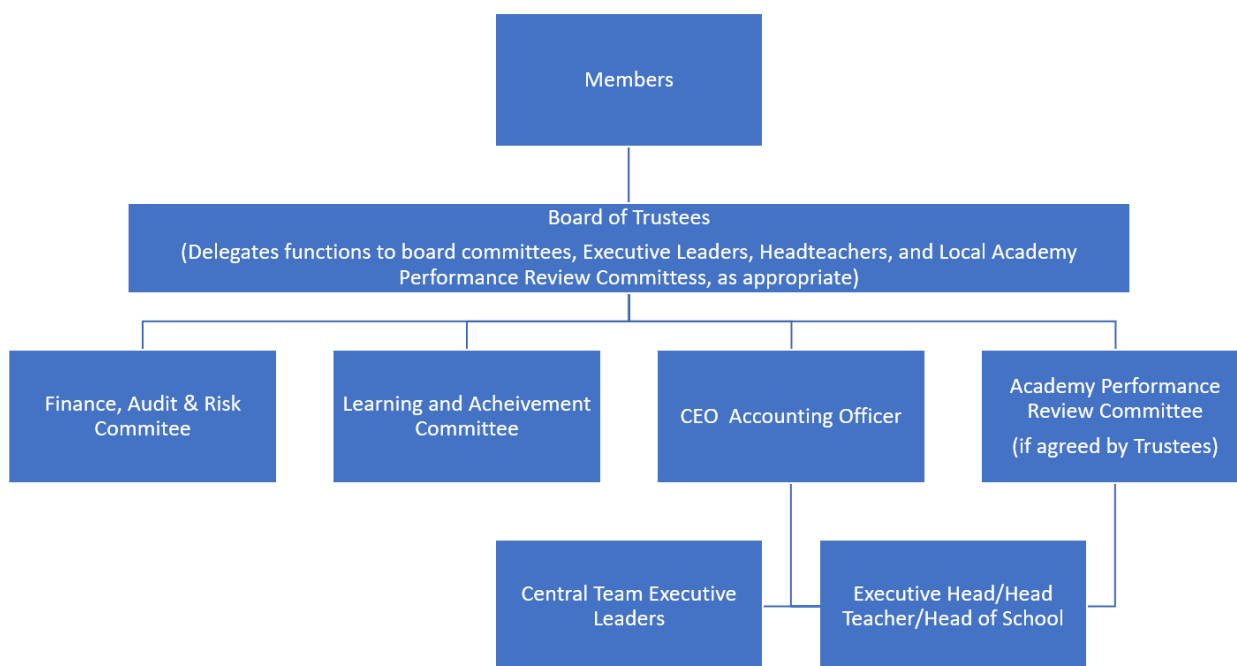

- 2.1 This Scheme of Delegation aims to clarify decision making and lines of accountability in a simple, succinct, and clear format and, as such, includes:
- A structure diagram which shows the layers of governance and lines of accountability;
  - A brief text description of the structure;
  - Narrative on roles and responsibilities;
  - A grid format, with columns for each layer of governance and leadership which enables stakeholders to quickly determine who is responsible for each strategic decision within the Trust.

### 3. Aims

3.1 This Scheme of Delegation is intended to:

- Promote a culture of honesty and accountability;
- Ensure all stakeholders are clear about which decisions the Trust Board retains and delegates;
- Identify responsibility for the appointment and performance management of the CEO, and academy Executive Heads, Head Teachers and Heads of School;
- Ensure that the role of the executive leadership is fully understood throughout the Trust;
- Identify responsibility for policy and practice in each academy and the Trust;
- Identify responsibility for oversight of educational performance in each academy;
- Identify responsibility for oversight of each academy's budget and across the Trust;
- Identify responsibility for assessment of risk in each academy and across the Trust.

### 4. Model of Delegation and Lines of Accountability

4.1 The Board of Trustees is responsible for the three core governance functions.

4.2 The Board appoint the CEO, to whom it delegates responsibility for delivery of its vision and strategy, and will hold the CEO to account for the conduct and performance of the Trust, including the performance of the Academies within the Trust and for its financial management (as Accounting Officer).

4.3 The Board of Trustees conducts the Performance Management of the CEO.

4.4 In turn, the CEO has management responsibility for other senior executives, setting their targets and performance managing them.

4.5 The Board constitutes Committees for Finance, Audit and Risk; and Learning and Achievement; these look in detail at resources and performance, progress and attainment across the Trust. As Board Committees, they must contain a majority of Trustees. Finance, Audit and Risk and Learning and Achievement Committees may co-opt up to 2 additional committee members. Co-opted Committee members can be appointed to the committee to fill a specific skill need. Co-opted Committee members are not authorised to act as Chair of the committee at any time.

4.6 The Board of Trustees reserves the right to remove delegation to a Committee at any time. In such a case, the delegated responsibilities of that committee will be overseen by the Board of Trustees. The exception to this is the Audit and Risk functions of the Finance, Audit and Risk Committee. These delegations are required by the Trust's Articles of Association and the Academy Trust Handbook.

4.7 The Board of Trustees reserves the right to create further Committees as required, to ensure the Board has effective oversight of any area of Trust business it deems necessary. In the event of the creation of a new committee, the Trust will agree delegation levels and ensure suitable Terms of Reference are written, approved and published.

4.8 The Board of Trustees reserves the right to delegate some of its school level monitoring and scrutinising functions to Academy Performance Review Committees, and uses these Committees to promote stakeholder engagement and as a point of consultation and representation. Trustees may not need to sit on some APRCs, and so lines of communication to the Board of Trustees must be clearly established.

4.9 Academy Performance Review Committees will NOT carry out the governance function of holding the Executive Head / Head Teacher to account; Trustees will delegate this responsibility to the CEO (who may delegate this responsibility to the Director of Education) and will monitor and ensure that the Trust's performance management systems are working well.

## **5. Roles and Responsibilities**

### ***5.1 The Role of Members***

5.1.1 The Members of the Trust are guardians of the governance of the Trust and as such have a different status to Trustees. Originally, they were the signatories to the memorandum of association and agreed the Trust's first articles of association (the legal document which outlines the governance structure and how the Trust will operate). The articles of association

also describe how Members are recruited and replaced, and how many of the Trustees the Members can appoint to the Trust Board. The Members appoint Trustees to ensure that the Trust's charitable object is carried out and so must be able to remove Trustees if they fail to fulfil this responsibility. Accordingly, the Board of Trustees and CEO submits an annual report on the performance of the Trust to the Members. Members are also responsible for approving any amendments made to the Trust's articles of association, appointing the Trust's External Auditors and making special resolutions to the Board of Trustees.

- 5.1.2 Ethos Academy Trust has a maximum of seven Members and a minimum of three, and while Members are permitted to be appointed as Trustees, in order to retain a degree of separation of powers between the Members and the Trust Board, and in line with DfE expectations, the majority of Members should not be Trustees. Members are not permitted to be employees of the Academy Trust.

## **5.2 The Role of Trustees**

- 5.2.1 The Trust is a charitable company and so Trustees are both charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and company directors. Because Trustees are bound by both charity and company law, the terms 'Trustees' and 'directors' are often used interchangeably. Ethos Academy Trust uses the term Trustee.
- 5.2.2 The Trustees are responsible for the general control and management of the administration of the Trust, and in accordance with the provisions set out in the memorandum and articles of association and its funding agreement, the Trust Board is legally responsible and accountable for all statutory functions, for the performance of all schools within the Trust, and must approve a written scheme of delegation of financial powers that maintains robust internal control arrangements. In addition, it must carry out the three core governance functions:
- Ensure clarity of vision, ethos and strategic direction;
  - Hold the executive to account for the educational performance of the Trust's schools and their pupils, and the performance management of staff;
  - Oversee the financial performance of the Trust and make sure its money is well spent.
- 5.2.3 The Board of Trustees has the right to review and adapt its governance structure at any time which includes removing delegation.
- 5.2.4 Where the Board of Trustees deems the need for an Academy Performance Review Committee, the Trustees appoint all committee members, and may also remove any APRC member should there be concerns regarding their conduct or effectiveness.

## **5.3 The Role of the Board Committees**

- 5.3.1 The Board may establish Committees to carry out some of its governance functions which may include making decisions, although any decisions made will be deemed decisions of the Board of Trustees. The membership and responsibilities of Board Committees are set out in

each Committee's terms of reference. It is usual for the Trust Board to appoint Board Committee Chairs and Committee members according to their skills.

#### **5.4 The Role of the Chief Executive Officer (CEO)**

- 5.4.1 The CEO has the delegated responsibility for the operation of the Trust including the performance of the Trust's academies.
- 5.4.2 The CEO is the accounting officer so has overall responsibility for the operation of the Trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability; avoiding waste and securing value for money.
- 5.4.3 The CEO leads the executive management team of the Trust. The CEO will delegate executive management functions to the Trust Central Team and is accountable to the Board of Trustees for the performance of the Trust Central Team.

#### **5.5 The role of the Academy Performance Review Committees**

- 5.5.1 As with Trust Committees, APRCs are appointed by the Board, and so delegation can be removed at any time.
- 5.5.2 Typically, functions may include:
  - Building an understanding of how the school is led and managed;
  - Engaging with stakeholders;
  - Being a point of consultation and representation.

#### **5.6 The role of the Executive Head / Head Teacher / Head of School**

- 5.6.1 The academy Executive Heads and Head Teachers are responsible for the strategic leadership of their academy / academies and are line managed by the Director of Education but report to the Board of Trustees and Academy Performance Review Committees (where applicable) on matters which have been delegated to them.
- 5.6.2 Heads of School are responsible for the day-to-day management of their academy and are line managed by an Executive Head.
